## General Assessment of The visiting officer.

- (i) The PHC building is under construction Since 2009. The work on this building has been stopped due to un-availability of funds.
- (ii) Water filtration plant was constructed. But the land owner demands govt. job. so it is not in public use.
- (iii) The people of the village are co-operative, Hence needs govt. attention, skill development/training programme should be implemented mostly for women.  
Due to cloud burst many times which caused major damage. Some house holders should be shifted to another places & Bunds should be constructed on both sides of nalla Kulam
