Assessment

General Assessment of the visiting officer.

During the Two day visit To Sturge Pasiwan it was observed that people in General or not aware about different govt. Schemes Pertaining To different departments, so they are not getting benefited about these Schemes at large Rural development is very much visible on the ground and most of the works are executed by this department are technically benefiting the people. Departments like agriculture, Horticulture, Irrigation, Social welfare, Social Forestry, Handicrafts, are hardly visible on the ground. Departments like PDD, PHE, CAPD are making good perception as there is considerable improvement in the service they are rendering to the general public. Shortage of staff is felt by all departments in the field hence poor ~~advised~~ execution staff associated with ICDS rendering services in satisfactory manner but field staff seems to be disinterested as they are not selected regularly. In order to overcome shortcomings some suggestions are

- i. Staff of different dept. To be strengthened
- ii) Regular field camps by all departments so that people are made aware of all govt. Schemes.
- iii) Coordination of different departments in the field for satisfactory execution of govt plans and policies
- iv) Encouraging local bodies for monitoring the functioning of different departments.
