Overall assessment of the visit & suggestions.

- Block & village Programme has fulfilled the gap between the Administration & people thereby brought in check and encouraged public participation & information for transparency, accountability & result orientation. It would be better to increase the period of stay of V.O in GP from two days to three days.
- A Redressal Mechanism needs to be set up at Block and District level on demands raised and targets achieved during 'Block & village' and other issues for prompt results.
- Financial share for Gov needs to be increased.
- A regular training to PRLs frequently on various programmes & schemes of Govt will bring more results.
