## Overall Assessment of the Visit and Suggestions :-

The overall visit was very fruitful and interactive. However, following suggestions are put forward for your kind consideration.

1. Almost all schools [Middle as well as Primary] are in desperate need of fencing as being a hilly area, there are utmost chances of threat to the school going children by wild animals. Also, the ration supplied for midday meals in the Govt. Schools is not distributed as per the Govt. norms which needs to be streamlined at ZEO level.
2. Many demands put forward in B<sub>1</sub>V<sub>1</sub>, B<sub>2</sub>V<sub>2</sub>, B<sub>2</sub>B<sub>3</sub> are still pending and need to be fulfilled on priority.
3. Digital Literacy and E-Banking awareness among the inhabitants of GP. Watlor. A is satisfactory.
4. Need of more awareness among the common masses regarding the various Govt. rural schemes.
5. The Landscape of the area has a huge potential for animal/sheep husbandry and horticulture which needs to be tapped.
