Suggestions
the problems and demands raised by the public during

Bx V - Bx V must be resolved at an earliest, with the

sanctioning of more funds. Emphasis should be laid on social audits, corruption, and work done by the Contractors.

⇒ The building abandoned should be demolished either make function immediately; as the said site a hub of drug addicts.

There should be wide publicity of all the Centre and State Govt. Schemes.

= Checks and balances should be introduced.

⇒ Emphasis should be laid on the cardinal relationships between the common masses and the administration especially (PRI).

- My overall visit was satisfactory, however I expect more people's participation in the coming back to village programmes.
