## **Annexure II**

### **Overall Assessment of the Visit and Suggestions**

In respect of the overall assessment of the visit of the undersigned to Panchayat Janglote East, it is respectfully submitted that the village is approximately 5 Km from the National Highway and connectivity within the panchayat is satisfactory. The issue of blacktopping was highlighted in previous Back to village programmes and the same was addressed, earlier in this year.

Further, 85 % of the population of the panchayat is involved in agriculture and allied sectors like dairy and poultry. The surplus milk sold in the markets at District headquarters. The people of the panchayat have no employment opportunities other than agriculture.

Further, there was no Panchayat Ghar (Bhawan) and playground at Panchayat. The proceedings of the Gram Sabha took place at the unutilised building of the School. The members of Panchayat unanimously demanded for a playground and requested to deputing officials/officers of Youth Sports and Service department on daily basis for conducting sports activity there, in order to keep their children away from drugs.

The members also requested daily patrolling of Police officials there in the panchayat, in order to curb the flow of drugs into their village and establish some control room, which shall be connected in case of emergency.

Further, the issue of drinking water scarcity was also highlighted by the common masses at Gram Sabha and same was discussed with concern JE of PHE, Department, who intimated that the project formulated earlier in order to address this issue was at tendering level.

One pond was identified in the ward no 3 of panchayat which can be developed as tourist place by laying tiles around the pond to construct path for walking/jogging. Benches and fountains can be installed to add beautification to the pond.

The officials/officers of RDD coordinated very well in conducting this visit.

In the end, it is suggested to kindly expedite the project related to Drinking water facility, expedite the release of funds for Panchayat Ghar/ Bhawan

Building, Playground and conduct daily patrolling of Police officials there in the panchayat, in order to curb the flow of drugs into their village.
