General Assessment of GP Ronger

GP Ronger is located at a few kilometers from Tehsil office Chakdara. Despite some developmental works in the recent past, the GP is still lacking in the basic amenities like drinking water, paved roads, ^(many holes) paved roads & stairs, electricity (long power cut issues), etc. Besides other infrastructural requirements like Community centre, better playground, etc. Also, the ~~need~~ demands reiterated & focused during B2V4 are as:

- 1) Supply of portable drinking water supply - Completion of JSM project.
- 2) Making RTDHC Ronger more patient friendly and effective by deploying Staff ^{incl. mid-level} & Technician & establishment of lab. Presently, X-ray equipment is lying idle in absence of X-ray technician.
- 3) Construction of Playground or expansion and ~~improvement~~ ^{improvement} of existing playfield at GMS Ronger & GHS Ronger.
- 4) Upgradation of GMS Ronger to Girls High School & GHS Ronger to Hr. Secondary School.
- 5) Construction of tubewell in school premises & at various spots in locality as well.
- 6) Upgradation of road infrastructure & electricity infrastructure.
- 7) Pack Houses for crop storage.

Besides, a list of demands by locals duly approved by PPI body is enclosed with (BSP-33)

Presently, non-fulfilment of demands raised during such events creates dismay in public which is very evident from less participation of public.
