Over-all Assessment & Suggestions.

Panchayat Nowshera-A comprises of Nine (09) wards with a hilly terrain and out of nine wards, only two wards fall near National Highway; whereas 80% of the Panchayat area is hilly. There are nine hamlet's and only two Revenue villages. The Panchayat is developing from last 1 To 2 years and has got the basic facilities of Health, Education, Agriculture, Electricity & water-supply. It needs upgradation & renovation's which have been highlighted in this booklet in earlier pages of B2V 1st to B2V third Phases.

This back to village programme is a marvellous concept of the present Government and need's further improvisation. The data to be filled in this booklet may be circulated at least a fortnight before among all front-line departments so that the information is vetted by competent Authorities i.e. HOD of the concerned department & only the discussion and Audit part be left on this day and figures be entered and confirmed by Gram Sabha on the day of B2V held.

My suggestion regarding the programme is that it should be conducted Block-wise and not in all UT at the same time. After culmination of one Block, next to be taken & so on.

The demands of the inhabitants repeatedly coming from first B2V to current be fulfilled; especially the all weather Road connectivity from Nowshera to Chundhudan via Hundi with central Drainage system.

Government of Jammu & Kashmir

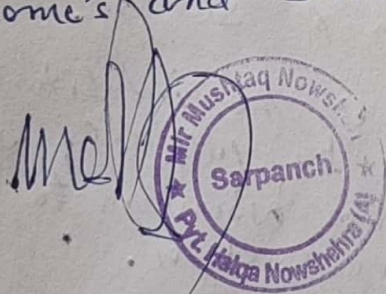

Impression.

The black topped road connectivity with bund's Sideway's constructed will give Boost to the Economy of the Panchayat as it will connect the Panchayat with world famous Tourist Resort Chikmag.

The playfield of 6-7 Kanals of land identified by the concerned Patwari & Naib Tehsildar be developed as early as possible, this will give opportunity to youth to remain engaged with sports activities and the slogan Nasha Mukht Bharat will get its meaning.

Irrigation & flood control department be made vibrant and bund's be constructed to save the Panchayat from flash flood's and other soil-conservation measures be taken with social conservation department & Agriculture production & Farmer welfare Department.

Ration supply be rendered off-line as the population is scattered in nine hamlet's and their is net-work problem also. CSC's be established at Hundi instead of Nowshera Market as it will give easy access to villagers to all Govt. Scheme's and services provided on-line.

Yours Sincerely.

MUZAFFAR TALAB.
