The visit of waipora Bala gave me Satisfaction and helped me to understand the functions of various departments. The panchayat as evident from inspection/social auditing of various works reflect that Good work has been done by the Govt. in this Panchayat Halqa. The overall infrastructure of this panchayat has improved a lot but there is immense scope for improvement.

Suggestions

- frequent visits of front line workers of various departments important for improvement in functioning of panchayat.
- There is a need for coordination among the panchayat members and various departments for effective implementation of various schemes at ground.
