Overall assessment of the visit :->

I visited all the wards of the halqa and interacted with the people of all age groups. As per my personal observation, the performance of Gram Panchayat in the development of the Halqa is commendable. The works done by RDD (especially the tiled paths) ~~is very good~~. Under the supervision of Gram Panchayat all satisfactory. Though I received some grievances/grievances from public regarding execution of work by Panchayat, but most of them were resolved on spot. The Gram Panchayat was advised to take on board all the stakeholders of the village while formulating their plans. It gives me pleasure to mention that some long pending minor issues were amicably resolved on spot by cooperation of public and some govt. departments.

The education sector of the halqa needs special attention. The upgradation of BPS vilose is dire need of the hour. Besides upgradation of Sub-Centre vilose, reduction of monthly electric fee to some deserving families, redressal of already mentioned public demands/complaints need special consideration.

I am thankful to all those departments like RDD, PDD, PHE, Flood & Control, Police, Revenue, Agriculture etc. and the Sarpanch with her team who made my visit so successful.
