① To be honest the date of B204 was not feasible as it was on 30/10 and there was a forecast from 4/11 and perhaps I felt the women were engaged with winter preparations and harvest and did not participate in the Sabha and I still engaged it with the female staff and Anganwadi workers and Ashir workers

Signed

② No such gathering was in Balsabhas as was seen in B203 either because of less publicity or because of the seasonal effect or due to less attention towards their grievances so they need to be engaged with James Munge Panchayat to overcome the gap.
