10. One of the major demand that has been identified by the PDS and Gram Sabha member is that there is a huge deficiency of drinking water in almost all nine wards of Panchayat Sangar except W.No.01. As the scheme namely "Jal Jeevan mission" has been launched by the worthy Prime minister to provide "Har ghaz Jal, Har ghaz Nat" and in this respect survey under above mentioned scheme had been conducted already by the PHE Department and the project is also sanctioned but till date there has nothing done so far in tendering process to take up this project. Panchayat through a memorandum (copy enclosed) has requested to complete the process asap so that the genuine demand of the inhabitants of Panchayat Halla is fulfilled as soon as possible.

→ Dept:- PHE (JIM)

11. Sub. A request to start the JTM scheme already surveyed
Respected Sir,

With due respects and humble submission
We the residents of village sangar, Panchayat Sangar
and District Reasi beg to state that Panchayat
is a hilly area and there is no source of
water in the Panchayat. People depend on rain
water only. Mainly three wards namely, W. No. 3 (Gahi) W. No. 4 (Madoti) suffer badly. In these
wards there is no source of water except rain
water. We had requested about this problem
during back to village 1, 2, and 3rd. but still no
action has been taken. Sir, there was a JTM
Scheme for these areas (wards). Survey has been
completed and plan has also been made but
tendering is still pending. So, we request for your
kindself that this JTM scheme should
be started as early as possible; so that the
people of the Pgt. may not suffer more. And their
need may be fulfilled.

Subject:- Representation for taking immediate and appropriate steps for a) regularizing the services of Anganwadi workers, b) Revising the salary in line of rest of the country, c) paying incentive, d) paying salaries on time e) framing retirement policy and pension scheme and f) Clearing all arrears of salary as on date.

Respected sir,

The Applicants most respectfully submits as under:-

1. That the applicants are the anganwadi workers employed under the Integrated Child Development Service (hereinafter "ICDS"), and are presently posted in different Anganwadi centers. Anganwadi is a type of rural child care center in India. It was started by the Government in the year 1975, to combat child hunger and malnutrition. There are at least 28 lakh workers under the ICDS programme launched by the Central Government.
2. That the applicants as a functionary of ICDS program are playing very crucial role in providing pre-school education and primary health care and nutrition to children under 6 years of age. We are paid salary of Rs 5100/- per month only. Most of applicants have been working since 1990 and since then they have been paid meager salaries, without any pension scheme, maternity leave and casual leaves and also without any regularization/promotion prospects.
3. The applicants even work for other departments also. For eg. In medical department, the applicants work during Immunization, conduct house survey to check if any person is left without vaccination. Even during the COVID period, services of the Applicants were utilized by the Government, and the applicants at the risk of their lives, performed their duties to the complete satisfaction of the authorities. In panchayats, the Applicants are asked to participate in the meetings and ensure every

person is present. The services of the Applicants are also utilized for distribution and making of Aadhaar card and ayushman card. In Education Department, the Applicants conduct surveys. The applicants also perform the work of distribution of nutrition kits to the pregnant and breastfeeding mothers, cross check pregnant woman and organize vaccination drives for children along with village nurses and so on.

4. Despite undertaking such critical work for woman and children, and contributing to the progress of healthy society, the government has adopted discriminatory approach towards the Applicants. They are not paid any type of incentives but meager salary which on the face of it is insufficient rather below the minimum wages. To add to our sufferings, even the fixed salary is not paid to us on time, which usually gets delayed. As a matter of fact, salary of the last 9 months has not been paid to us despite repeated requests made. It is further submitted that in other states, the anganwadi workers, in addition to their salaries, are paid incentives. However, the same is denied to us without any reasonable cause which is violation of our fundamental rights.
5. It is submitted that in the year 2018, the applicants even participated in the strikes to meet up their demands of increase of salary, other incentives, permanent service, retirement policy, pension scheme. Despite this, nothing has been done till date. It is submitted that many states have seen an increase in the honorarium in recent years following protests and demonstration by the workers. It is pertinent to mention that in comparison to Jammu and Kashmir, workers in Madhya Pradesh, earn Rs 10,000 a month respectively, Karnataka gives Rs. 8,000 to the workers, telengana gives its workers Rs 10,500/- respectively and Haryana gives Rs. 11,429/- monthly twice the amount which is given to the helpers.
