OVERALL PERCEPTION OF FUNCTIONING OF GOVERNMENT DEPARTMENTS

1. BEST DEPARTMENT: Rural Development Department & JK NLM
2. LEAST RESPONSIVE: ~~Forest~~ (Govt.) Forest & RFB.

Overall Assessment of the visit and suggestions

The Pandhargat is a very effective in implementing the various welfare schemes being run by central or UT Govt. Public is sufficiently aware regarding these schemes. However, there is a need for developing infrastructure like dairy processing unit, veterinary as well as medical for the first aid of public and their domestic animals. After two days visit the undersigned observed the following bottlenecks in the overall development of the Pandhargat -

(1) Road Connectivity. Pandhargat is well connected with road. However, due to some time the road from Chingra to Amithpura has remained a major problem for the people of Amithpura. Usually 200 to 300 ft. stretch has remained to be cut for connecting the road. Similarly connecting Chingra to Daller-Badla with Kolar road will only on low alignment cutting will lead to connecting Chingra & Daller villages.

(2) Education:- During visit to H.S. Chingra, it was found that there is no science and maths teacher and the post of headmaster is also vacant. This is only high school in the Pandhargat. Moreover the joining of the school is very important in order to stop enrolment. Meanwhile, public of Amithpura demanded starting of the Primary school as the children are forced to study in the open and during bad weather their education is hampered.

(3) Health:- There is severely lacking in the Pandhargat with 07 registered SHS. Absence of strong primary health centre will hamper the delivery of the Pandhargat and will pose a problem for the educated youth of the Pandhargat.

Suggestions:- There is a lot of scope for horticulture expansion in the Pandhargat with the introduction of new varieties and landers.
