Overall Assessment & Suggestions

The overall B2V4 remained successful in Sadumara-B. All the line departments along with the residents of the area interestingly participated in the B2V4 Programme. The people reiterated the previous demands put forth in B2V1, B2V2, & B2V3 and demanded for their full address & implementation. All the previous demands were not addressed fully so the people in the Halqa suffered badly, & demand their full implementation.

Therefore, the administration is requested to address all the demands raised by the people in B2V4, so that the trust of the people in Govt is maintained.
