GENERAL ASSESSMENT OF THE VISTING OFFICER

I	Any major complaint brought to the notice of the Visiting Officer:
	CRT road from Jij to Narkate distance 11 km and work is suspended due to stay by two contractors needs to be redressed as public is suffering
II	Major/ urgent public demands that was/ were reflected earlier but have not been addressed so far:
	1. Play Ground at HS, Bagli. 2. Staff at PNC, Bagli and HS, Bagli.
III	Overall assessment of the visit and suggestions:
	I have not seen much progress since B2 V1 & some issues are still pending (The visiting officer to ensure that the overall assessment is recorded in details along with concrete suggestions) in the PNC since the handover of building and HS, Jij is shortage of staff since very long. Now a days internet is necessary for every work but Panchayat is without internet till now. My suggestion is to look after these issues at the earliest.
IV	Overall Rating of govt functioning as given by the Panchayat (Scale of 0 to 10)

Suggestions.

1. Public demand for opening a KV School at village J_1^{∞} (Morah Bagansath) where state land is available measuring about 200 Kanals near MS, Bagansath in Khosra 503/1 of village J_1^{∞} , Teh. Thakrakote. I feel if this school will open the childrens of this far flung village will get quality education which is badly needed in this panchayat.
2. Second and most required a ckt road which is sanctioned from J_1^{∞} to Narkote and this road is under PWD and work started but unfortunately due to dispute between contractors work has been stopped. This issue of the people of this far flung area need to be resolved at the earliest as this road is very crucial.
3. Issue of Internet connectivity as suggested in the previous B2V still not taken care. Please look into this issue seriously.

(Navesh Kumar Gupta).
