During my visit to Halga panchayat Mangarh as visiting officer in the backdrop of "Back to village programme phase-IV", I was impressed by the scale of development in this picturesque rural hamlet. There is a remarkable upturn in the various indices of civic facilities.

In the entire stretch of Halga Panchayat Mangarh, I was amazed to see the infrastructural development done by lanes, roads, drains, protection walls have been built and maintained with great finesse.

Department of health & education have vivid footprints in the length & breadth of this halga. Immunisation programmes, public health awareness and basic health care facilities are being provided with utmost dedication and commitment. People seemed to be quite satisfied.

In the programme I had an opportunity to visit a number of schools & assess the functioning and state of academics. Barring few exceptions, I was satisfied with overall progress and the urgency among the employees of this department to improvise.

Role of Sarpanch & panch

During my two day visit it is visibly evident that the concerned Sarpanch & panch's have done justice with their mandate & public work alone.

Conclusion

Back to village programme is a novel concept to resolve administrative issues at the very grass root level.

your name. Please forward to the specific
authorities whom you indicate to handle a huge
volume of issues that have been received in the
form of photos or "fax" to village programme
