Respected Sir,

With humble submission we the staff and students of the B.M.S Najan-A want to bring into your kind notice that we lack some basic facilities and thus need the following infrastructural facilities in our school.

1. Fresh water connection along with one separate Latrine-cum bathroom and a water tanki of the 500/1000 Ltr. Capacity.
2. Solar inverter (one).
3. Smart Boards (few).
4. Projector along with two computers.

We have already requested the above things in the previous three B2V surveys, but there was no response.

This time over, I hope the favourable glance would be thrown over the matter and we would not be thrown in state of destitution.
