Major Complaints:

- i> The members of Panchayat complained that no toilet under SBM has been constructed in the Panchayat.
- ii> Ration Card Unique IDs of some villagers have been assigned to other people by the concerned deptt.
- iii> Construction of Road under PMGSY from Ghatti to Juthara is against the parameters of PMGSY. Its width is very less to drive heavy vehicle like bus, minibus etc.
- iv> Names of deserving beneficiaries under PMAY are deleted, the reason best known to the concerned deptt.

Major Demands:

Completion of bridge over Ujh river, the only life line of the Panchayat, opening of PHC, upgradation of H/S Juthara to HSS and construction of road from Juthara to Chikvigar Tadwal.

Overall Assessment

During my visit, it is found that the topography of Panchayat is hilly and semi-hilly with scattered habitation. The major problem of Panchayat is road connectivity. The only life line of Panchayat is road from Jakhole to Juthara, but due to non-completion of bridge over Ujh river, the entire Panchayat remains disconnected from rest of the country particularly during Monsoon season in which travelling by foot is also not possible. There is huge scarcity of drinking water in the Panchayat and people have to travel lot of distance for the same. The overall condition of the Panchayat is very poor with out medical facility during emergency.
