GENERAL ASSESSMENT OF THE VISITING OFFICER① Major Complaints brought to the Notice of the visiting officer1. Road connectivity from N. H. Nounath to village Kanah (8 km)

During my visit to village Kanah, General masses of the area very angrily / bitterly projected the complaint against the officers / Public representatives for fooling us by putting shadows on our eyes that your road project has been kept in Plan for early start up since independence. We are being used for electoral purposes only and made promises by the public representatives especially during election time and also in the earlier three back to village programmes we have projected it but nothing has been appeared so far. Older women, school going children are facing lot of hardships, majority of the children deprived of Education due to road connectivity, especially girls children because they have to travel at least 16 km (up down) by foot through Nallah (Khad) to approach H. Way to catch bus after their schooling. Some Pregnant Women leads to death during delivery due to road connectivity lacked.

2. PHE : A PHE tank completed in the year 2014 at W. No. 2 but till date it is not made functional for water supply. Also no regular salary for daily wages.

3. Electricity : About (70-80) % of the electric wire has loosened / damaged but no hearing of the public after repeated complaints through Public representatives also.

4. Complaint of Villagers Salari and its surroundings W. No. 1 that besides repeated assurances of P.W.D. deptt. our road work is not being started in which tendering of the work has also been done.

5. Wild Life Animals :- A complain against wild life animals is being projected by the general masses that our crops are being fully destroyed by the wild animals, like monkeys, pigs etc. So the concerned deptt. should be put into action because majority of public are having agriculture is the only source of their living. Due to which the farmers also abide farming.

6. No X-Ray technician, no Ultra sound machine in the hospital

7. Liability of MGNREGA for the year (2016-17, and (2017-18) are not being cleared.

2 Major/Urgent Public Demands that were reflected earlier but have not been addressed so far

1. Burning demand of Road from N.H. Nounatti to Village Karah, Basawa and its adjoining villages length about 8 kms.
2. Demand for Mini secretariats in the Block Chouk Chowra, state land has also been traced by the Tehsildar concerned.
3. Creation of 2 (two) more Panchayats from Pvt. Chowra demanded to develop the area properly because it is a very large Panchayat and the funds available are not sufficient.
4. Health centre required at village Chowra, mora Basawa Karah and 1 at village Salori w.No. 1.
5. Water Bodies : 07 (Seven) Big ponds and 70 (seventy) small ponds needs repair to save water for public utility.
6. Multitech Centre for Women : A Demand raised in the Mahilla Sabha to establish a Multitech centre for different training for women in the Pvt. like Beautification, Boutique, knitting, computer training etc. or any other for earning oriented.
