Overall assessment of the visit and suggestions.

The visiting officer visited the PH Adijau block Pombay on 28th & 29th October 2022 and held the meeting with common people and public representatives of the PH. But the participation of the people was least; as such it is suggested that;

1. People need awareness of different centrally sponsored schemes and schemes run by the UT of J&K. The departments concerned must organise such awareness camps in the PH such that the people will get benefited.
2. The pending demands i.e. B2V1, B2V2 and B2V3 should be resolved on priority.
3. There should be a time frame schedule to complete various works and projects in the PH.
4. Release of funds should be on time.
5. By resolving grievances of the people in PH will develop confidence.
