Most of the complaints were already raised in B2V1 and B2V2 and B2V3 and people were complaining that all the demands were not been fulfilled by the Govt. During my visit to different locations/sites I found satisfactory performance. Senior citizens and students of different school were very happy with the programme.

#### Suggestions:

Annexure programmes regarding (Drug-re-addiction, Lembing, Skin disease, in animals, fire and emergency and Segregation of waste/ proper Sanitation) should be organised in the Saral Panchayat so that the youth of the area live remain away from drug and other illegal activities. People of area here take preventive measures to control the Lempy skin diseases in animals showing fire incident in the area and the area needs to be clean as there are chance of spread of waterborne diseases. Youth should engage in different sport activities so, that they can contribute to National level competitions.
