(Annexure F') Overall Assessment of the visit & suggestions

During the visit in B2V4 programme on 2-11-2022 & 3-11-2022 following observations were made by me in the panchayat.

- ① Panchayat lack basic infrastructure like Ichimot centre/any other banking facility, no ration depot (pvt/govt in the panchayat).
- ② Moreover, departments are running from rented buildings which require renovation (like Health & Wellness subcentre).
- ③ Students are deprived of playground facility.
- ④ Active participation of the PRI's (Sarpanch & panches) and local people is largely required for the overall development of the panchayat.
- ⑤ Departments are working satisfactorily but still ^{there is} scope of improvement in the working.

Suggestion :- While preparation of the plans for execution in coming / next financial year, PRI's of concerned panchayat must be consulted & their requirements be addressed by all the govt. departments including RDO, PHE, PDD, PWD etc. Camps must be frequently conducted by departments like Revenue, Agriculture, Health, Banking etc. Also the works proposed under "Back to village programme" must be given priority & necessary funds should be released to the govt departments for their execution as most of the departments are working under CSC not under Back to village head :

Requirements Raised in B2V4 programme :-

- 1) Road Connectivity :-
- I) Road from Palli to upper Hastryan
 - II) Road from Dehal to Bakkal. (already DPR prepared under PWD)
 - III) Road from Saneot. to Kural Hastryan

 - V) Urgent requirement of footbridge in WNO-5 under PWD.

Annexure F

- 3) Irrigation & Flood control :- I) Construction of Khul in Mohalla Jarnhal is left unattended from last to last year.
 II) Requirement of created wall to protect fields adjacent to the local malahs.
- 4) Power Development :- I) Low capacity transformers to be upgraded in W-2, 6, 9.
 II) Requirement of Electric poles in few wards.
