Overall Assessment of Panchayat Budhina

The panchayat Halgwa Budhina is close to urban area of district Budgam so all the major facilities such as district hospital etc are nearer to the public of the panchayat. However the working of all the departments are satisfactory excluding some minor grievances/complaints from public such as safe drinking water during rains, land record after settlement, some small cutovers and roads etc.

During Mahila Sabha females shown keen interest in tailoring and other handicraft trades for that employment and other handcraft trades along with bank should make awareness camps and provide them benefits under various schemes for their trainings and entrepreneurship development.

Wellness centre sanctioned by health department ~~is~~ running from rented building. Some land may be identified for construction of proper wellness Centre in the panchayat.

No separate CSC is established in the panchayat. Office of the patwari should be shifted to panchayat char for the easy access by the people.
