11. Release of pending payments under 14-FC works completed already (Preservation of lanes W.No.1 & W.No.5.)

Assessment

My overall assessment is that welfare programmes should be continued. More formulation of plans is not sufficient. Two pronged strategy should be adopted by formulating welfare schemes and making people aware of their rights because implementation part is important. Without proper implementation all the policies will be reduced to mere paper tigers. Programmes like B2V should be encouraged as they provide real time actual feedback of the common man.
