Sub: Regarding earth filling and levelling of playground.

Respected Sir,

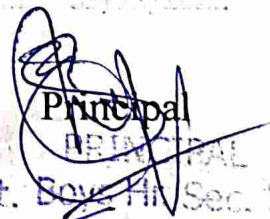

With due regards I would like to bring in your kind notice that there is a need of earth filling and levelling of our playground as sports activities of our school hamper due to the uneven playground. There is also another patch of land where basketball court can be constructed which will definitely give a boost to our sports culture.

In this regard, I request your good self to pass on instructions to the concerned department for further course of action to be taken on their end on priority basis.

Thanking you

Yours Faithfully
