Subject: Urgent Public demands - representation thereof.

I hereby put forth the following urgent demands raised by public:

- 01) Model Higher Secondary School for girls at Maitra as there is only one Higher Secondary School in Ramban Town, which is a Co-educational institution having more than 1200 students enrolled in classes 11th and 12th every year. As it justice with the poor students who come to receive education in this institution and 1200 students are being taught by one English lecturer? Same is the case with other subjects. Even zoology/botany lecturers posts lying vacant since 2011. Hindi/Urdu lecturers posts lying vacant since 2020, which are the main subjects in Arts stream. This institution has only two streams, Arts and Science. There is no Commerce stream. Due to all this the worst sufferers are the girl students coming from far flung areas as their parents have no option other than to discontinue their studies after passing class 10th from Girls HS Ramban/HS, Kermole, Beri, Balikote, Kangra, Garm, Chandarkote, Sandyal, ~~or~~ Kriya or to appear in class 11th as private candidates.

Keeping in view the effective implementation of Beti Bachao Beti Padhao (BBBP) Scheme, it is requested that the said demand may be considered by giving Top priority.

Yours Sincerely

The visiting officer, B2V4
