Overall Assessment of the visit and suggestion

It was an amazing session where in people's participation was upto mark; people were quite hopeful regarding the programme and redressal of their problems. People were briefed about various Govt. sponsored schemes and the benefit thereof.

Every section of the community was being involved in interaction separately in the form of Gram Sabha, Mahila Sabha and Bal Sabha, so as to not any communication gap.

Various programmes, cultural events, awareness campaigns were organised and every social, political, socio-economical issue was discussed positively with the commitment of their redressal in near future.

Overall it turned out to be a fascinating visit as far as development relation of the halqa is concerned. During the visit following major demands were put forth by the senior citizens of the Halqa including panchayat body.

- 1) Establishment of PNC centre at halqa level.
- 2) Construction of Panchayat Bhava.
- 3) Upgradation of approaching road to Govt. Middle school Pultibagh.
- 4) Construction of new school building for primary school Betabagh as the present building is deteriorated and may collapse any time.
- 5) Expansion of play ground.
