11) Overall assessment of the Visit and suggestions :-

The Panchayat Halga Bindla has a hilly terrain.

The Panchayat seems to be very neglected as there are no roads in the Panchayat. The infrastructure in the Panchayat needs to be built up like roads, footbridge, Kools for irrigation, protection wall in school etc.

Better irrigation facilities will increase the crop yield.

Offices of different departments like Agriculture, Horticulture, Sericulture, Co-operatives, P.D.D should be constructed and staff should be sanctioned in these departments so that different schemes of these departments can be implemented effectively. There is dire need of Health centre in the Panchayat to provide better healthcare facilities to the inhabitants.
