III Overall assessment of the visit and suggestions:

(The visiting officer to ensure that the overall assessment is recorded in details along with concrete suggestions) The public has very high expectations, when programmes like B2V are organised. The visiting officer has to face resentment and anger of public when such programmes do not get follow up from the administration and the result is that such huge demands and complaints come from public and. A sincere followup of the demands and complaints must be followed if the administration wants the success of such programmes otherwise it will be a futile exercise.
