Similarly Government schemes like PMAY, PM KISAN, KCC, Golden Cards etc have seen great response and are almost saturated.

### iii. GENERAL ASSESSMENT OF THE VISTING OFFICER

S. No	Particulars	Status

3	Overall assessment of the visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in details along with concrete suggestions)	The Halqa Panchayat Sonamarg A has been witness to tremendous improvement since the organising of the first back to village program. Most of the demands have been fulfilled. The halqa has excellent electricity and communication facilities. The Ayush golden cards and PMAY beneficiaries have been almost saturated. The rural swachta campaign has been a major success especially with its tie up to Solid waste management plant of SDA. The community based tourism has been given a great impetus with the registration of more than 50 Home stays, development of eco- park, identification of new trekking routes etc. Last year forest department has provided training and certificate course to 21 trekking guides within the panchayat to enhance their livelihood opportunities in the sector. The women of the Halqa have been more proactive in their response to the government welfare schemes. The sarpanch of the halqa is a women which might have paved way for more women to participate and get actively involved in GPDP discussions and formulations. Overall the assessment of the halqa is very good with a rating of 8/10 given by panchayat. However there is still scope for improvement and some of the suggestions for further betterment of the halqa are given as under: 1. Since the sonamarg is regulated by Sonamarg Development Authority (SDA), as such the development

		<p>works under GPDP face resistance from the authority and many a times such works have remained unexecuted or incomplete resulting in lapsing of the funds. As such it is suggested that GPDP plan may be routed &amp; regulated through BOCA.</p> <p>2. NRLM may initiate establishment of Self Help Groups (SHGs) as the women of the halqa are seen to be proactive and can be meaningfully engaged to provide for source of livelihood.</p> <p>3. The working season in sonamarg is quite short lasting for only 05 months. As such the plan needs to be executed in time. The formulation &amp; work estimation along with approval needs to be provided way before the month of April and May so that work execution starts by 1st week of June and all works are completed before the onset of winter.</p>
4	Overall Rating of Govt functioning as given by the Panchayat (Scale of 0 to 10)	08/10
