Assessment of visit & Suggestions.

Area B Panchayat is one of the remote panchayat of Taluk located in rugged mountains. Road connectivity started but road is not well levelled. Road connectivity is not well maintained. Health sector is totally absent on PHC Ukhral and there is not any provision of health facility in the panchayat. The panchayat has a low poverty level with the pop. living in mostly scheduled tribes. Education system needs a boost - Middle school having 8 classes and preschooling is accommodated in rooms making it difficult for students as well as teachers. Overall the economic condition of people with agrarian economy is below average with poor quality of transport, literacy and health system.
