- 1) Shifting of transformer from playground to anywhere at the safe place in chak Jaralan.
 - 2) Request to issue electric pole from Jagdish Raj house to Darshan Lal house at Kothi Mork.
 - 3) Requirement of 20 pole in Vill chak chelera and 20 pole in chak Jaralan.

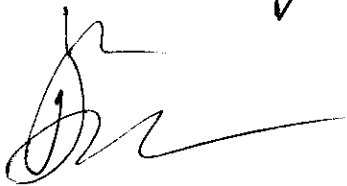

R/Sir,

In reference to the subject cited above, it is informed to

you good self that the transform installed in the playground chak Jaralan creating dangerous problem for the childrens playing in the ground and causing threat to their life. It is the genuine demand of the people to shift the transformer to the safe place.

Regarding point (II) mentioned above, the distance between the existing poles is long and the height of the electric wires is very low which may cause the threat to the lives of people passing near these wires. Kindly take the appropriate actions and sanctioned the required number of poles.

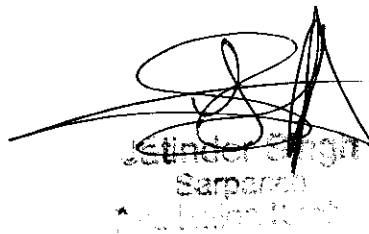

Thanking you.
