No. MSK/171/23

Date 12-10-23

The Block development Officer,

Keller.

12th of September, 2023

Subject:- Application for Renovation/Repairment of Classrooms, Toilets, Bathrooms, Urinals, Boundary Wall and construction of additional bathrooms for staff and Kindergarten.

Sir,

✓ MS - AREHA

Apropos to the above cited subject, your good self is kindly stated that six classrooms four toilet points, three urinal points, two bathrooms of Govt. MS Keller need repairment/ renovation and construction of bathrooms for staff and Kindergarten as they are constantly used by two hundred fifty students for last couple of years. The harsh winter had badly affected walls, floor, water pipes, septic tank etc. These blocks are now difficult to maintain and are affecting health and hygiene of students badly with every passing day. It is worth to mention that the school has not received sufficient development and maintenance grant from last couple of years. The school may kindly be provided with big dustbins for better implementation of Swachhta Abhiyan.

Therefore your good self is kindly requested to sanction funds or take measures for the repairment/ renovation and construction of above mentioned blocks so that students can heave a sigh of relief.
