Overall assessment of the visit and suggestions :-

The overall outcome of the visit was quite fruitful as a thorough review of works and schemes being implemented by various departments in the Panchayat were held in the full public view in presence of PRIs and representatives of line departments. Besides awareness campaign regarding various beneficiary oriented, self employment and other government schemes was imparted during the two days of B2V5 Programme. Lot of public issues/complaints pertaining to various departments were addressed on the spot . The representatives of various line departments especially RDD, Forest, Agriculture, Horticulture, Animal and sheep husbandry, Health, Jal Shakti, Education, revenue, ICDS , PDD, Social welfare, PWD , NRLM, J&K Bank, Fisheries and PRIs were stressed to adopt a convergence mode of planning.

The Panchayat has tremendous Agriculture and horticulture potential which can be further explored and exploited. The Panchayat is home to one of the four important religious places in Sub-Division chenani known as Benisangam which has a historical and cultural significance. The site needs to be developed so as to attract more tourists. The number of NRLM SHGs has increased from 26 to 32 in the Panchayat but still lack the marketing avenues for the products prepared/ manufactured by them. Further the demand of Khidmat centre/ CSC which was raised last year has been fulfilled during this programme and is expected to be operational in the Panchayat by the end of this month.
