# Overall assessment of the visit during B2V5 Phase

(10-11-2023 to 11-11-2023)

During two days visit to Panchayat Asso, Teh Bani Distt. Kathua in the capacity of visiting officer. I made the following assessment.

1) The main problem faced by the resident of Asso is Road Connectivity only two wards out of 07 wards are partially connected to road that to via Bani - Dandi Gherthu road, rest of the Panchayat is still unconnected to modern roads. The main means of transport are pony and marmal. More over, it is the utmost demand of the residents that the Panchayat gets road Connectivity.

2) The PDS store is working properly in the Panchayat. The online system of ration is distributed is followed.

Play Ground is not available in the Panchayat and in my observation, there should be at least one play ground in the Panchayat so that children can participate in sport activities.

The NPS and UPS school in the Panchayat are functioning in good condition.

Suggestion: It is humble request to higher authority that the long pending demands of people from B2V, to B2V5 should be fulfilled, so that their tough life becomes easy and comfortable.
