Sub: Employment to the youth of panchayat sahar in the industries setting up in the panchayat

R/Sir,

Most respectfully it is to submit that during the ongoing B2V5 , youth of the village approached the visiting officer and Under signed that they must be provided jobs in the industries going to be set up in the panchayat .

In this context it is submitted that concerned may be directed in order to ensure that local youth of the panchayat may also get proper reservation/ posts according to their educational qualification as per industrial policy and Govt directions .

Earlier action in this matter will be highly appreciated as the youth of the panchayat are feeling depressed due to unemployment .

Yours faithfully
