SUB:- Essential requirements for school.

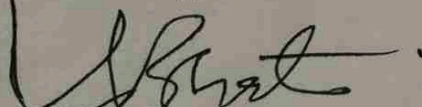

Esteemed Sir,

Apropos to the subject cited above, it is submitted to your kind notice that our school is in need of the following essential services to be provided for smooth functioning of this institution .

1. Separate water supply line.

Top priority should be given to separate water supply line as the line that supplies drinking water to this institution is providing water to about fifty (50) households & the institution is at its tail head that hampers the regular supply of water to the institution. As such the institution needs a separate water line to save the students from any discomfort.

Yours faithfully,
