1. As we are living in 21st century, and at this time, having no mobile network is a major drawback. Furthermore, the employees working in the Panchayat face many difficulties while travelling to Jhabdi such as the PHE, station, bus, PDS, employees who are field workers. They told that it takes 5-6 days to get permission for proceeding to Jhabdi and in those days, power remains disconnected to whole Panchayat and therefore they demand relaxation in the said matter.

During field visit, it was found that there are 03-04 families living in a single house. And having no source of income, it is difficult for these poor people to construct their own houses. So construction of PMAY houses is a major demand.
