ii. FEEDBACK ON UT INITIATIVES

People of the Halqa wish that the initiatives undertaken by UT administrations be implemented in letter and spirit. These are really productive and beneficial.. However all departments be instructed to reach out people at door steps . They admired today's B2V5 where in V.O tried to involve Line departments fully to face the public and answer the grievances raised by public. They are of the opinion that all schemes entrusted to departments should be published on hoarding in the villages for mass awareness.
