Subject: - Request of the residents of Faqir Gojri and Dara to start JK bank branch in the area.

Sir,

With regards it is to say that the people of Dara and Faqir Gojri are facing acute problems regarding bank facility in the area since decades. The said facility for the people of these areas is currently available at a distance of 8 km at Newtheed which is out of reach of the people having very poor transport facility in these areas.

Last year the construction work of the bank building was started at Nagbal (Faqir Gojri) near Army Camp for the purpose to provide bank facility to the people of this area. But unfortunately the construction of the said structure is still incomplete and the construction work has been stopped due to unknown reasons.

Now the people of the whole area demand that the structure may be completed at an earliest to provide the said facility for the convenience of the common people.

In the light of the above mentioned facts, your kind administration is humbly requested to personally intervene into this matter and get the said structure completed to provide the bank facility to the poor people of the area comprising of more than 20 villages.

we do hope that our humble request shall be considered on priority and needful will be done in this regard purely on humanitarian grounds.
