

## Overall assessment & suggestion of visiting officer

During my visit to Halga Panchayat Mangam (PH-18) as parish officer in the backdrop of "Back to village programme phase-V", I was highly impressed by the development in this village. The village development is obvious as compared to five years before. I found infrastructural development, roads, drains, protection walls, floor tiles, path tiles have been built & maintained with great finesse.

Immunization programmes, Public health awareness & basic health facilities are provided to the common people of villagers. Self help groups, self employment programmes, old age pensions, widow pensions are providing great services to the villagers.

Overall I was highly satisfied with overall development, schemes & policies of government.
