Subject: Application for Construction of Double Storey
Building with boundary wall.

Respected Sir,

With great respect and high regards I put down
that our School is functioning in a rented building with
only five rooms. The School is facing lot of accommodation
problems as the roll of this School is above 100 Students.
This affects the learning process badly - especially
during bad weather conditions. This School is having enough
land for construction of School building.

So, your good Self is requested to keep this on
priority basis and take the issue with the concerned
department. That will be your most Kindness.

Yours faithfully,

HEADMASTER
