The teaching faculty is punctual and committed towards the better future of the students. The following suggestions are suggested to be considered while framing future plans.</p> <p>i. The housing infrastructure of Middle School Nova Chak and Girls High School Marheen need immediate attention as some portion of the buildings of the said schools does not seem to be safe for housing students. Therefore, the said dilapidated portion of the buildings of the said schools be immediately reconstructed/renovated. Otherwise also the class room facility available is not sufficient to cater the enrolment as per the standards of the department. To this effect Tehsildar Marheen was directed to get the safety audit of the said schools conducted for further necessary action i.e. re-erection of the said portion of the school buildings.</p>
