# Assessment of Visiting Officer

Subject: Report on Performance Issues in B2V5 Program Departments

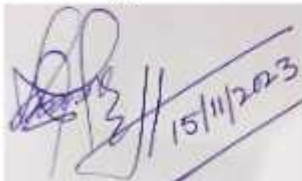

Respected [Higher Authorities]

I am writing to bring to your attention the concerning performance issues observed in several departments under the B2V5 Program. The following departments have shown significant shortcomings:

1. Animal and Sheep Husbandry Department: -
  - Lack of camps
  - Absence of trained officials
  - Delay in providing essential medicines
  - This is particularly distressing as the entire tribal population is dependent on this department.
2. Agriculture Department: -
  - Inadequate awareness about different schemes
  - Absence of reports on Kisan Credit Card (KCC) coverage
3. Sericulture Department: -
  - Non-existence of the department
  - No database provided for necessary functions
4. PMGSY and PWD: -
  - Failure to provide plans and progress reports
  - Pending road projects from B2V3/B2V4

These issues are critical, impacting the livelihoods and well-being of the local population. Urgent attention and intervention are needed to rectify these deficiencies and ensure the effective implementation of the B2V5 Program.

Sincerely,

A handwritten signature in blue ink, followed by a date '15/11/2023' written in blue ink. The signature is somewhat stylized and difficult to read.
