## **Annexure-A**

### **Overall Assessment/Observations/ Suggestions**

During the Back to Village-5 programme across the Union Territory of Jammu and Kashmir, while visiting Panchayat Kalyanpur, it was observed that there is an ample participation of the PRI members and 'Back to Village' Programme has been instrumental in boosting understanding & awareness among the public, about the latest schemes & initiatives of the Govt. thus leading to a better public perception.

The 2-day visit of B2V4 in Panchayat Kalyanpur was a well-organized programme and it is very satisfying to see that well qualified staff is managing the affairs of the Panchayat.

The interaction with the representatives of the Panchayat Raj Institutions (PRIs), local stakeholders and frontline workers of all the line departments, including Horticulture, Agriculture, Handloom and Handicrafts, ICDS, Industries, Social Welfare, among others was quite satisfactory. During the Gram Sabha, various issues and demands were raised by Sarpanch, Panches and general public of Kalyanpur Panchayat and stress was laid on people participation (Jan Bhagidari) in formulating the annual action plan and awareness was also generated about digital services, transparency, corruption free, NashaMukt Bharat (Mobile Van), and Flagship Schemes on the occasion. The timely monitoring of the ground works in line with deliverables set out during the 'Jan Abhiyan Programme' is very important so that the execution of development works is completed well-in-time and with the active involvement of the PRI members.

There is a scope for formulation of good tourism plan in this panchayat with an active involvement of departments of Tourism, Horticulture, Irrigation and Flood Control, Youth Affairs and Sports. This panchayat has an ancient temple of Baba Jitto and Bua Kori at Jhiri, which is deeply revered by the devotees from Punjab, Haryana, Himachal, Delhi and other states besides the local populace. It has historical and religious significance and there is great footfall in the Jhiri Mela which is held during the month of October-November on "Kartik Poornima" every year. The Jhiri temple has a huge chunk of land associated with it and its status need to be preserved by demarcation of the lands which can be utilized for overall development of the area in order to make this panchayat a big tourist attraction. We can bring this Panchayat in the tourist circuit and Tourism Department can play a pivotal role in popularizing the tourist potential of the frontal border area.

From Jammu to Jhiri Temple-----Sui Temple-----Shivalya Temple---Burj Temple---  
Religious places at Akhnoor

Border Tourism is also an option to make the areas accessible for public which can in turn be a source of income generation for common masses of Panchayat Kalyanpur.

In order to promote rural tourism, the visiting officer identified some trekking routes in the area in consultation with the Panchayat members.

There is need to build these tracking routes:-

1. Jhiri to Bawa Talab to Hari Singh Gharat Jhiri.
2. Jhiri to Chack Mani to Shama Chack to Baba Talab
3. Jhiri to Pinjore to Shiv Dewla to Kana Chak to Mahavir Mandir.
4. Jhiri to Bawa Talab to Bawa Ki Janni to Burj mandir to Sui Temple to shiv  
wala kana chak)

Stress was also laid for the registration of 'home stays' in the Panchayat area for the tourists and pilgrims visiting Baba Jitto temple Jhiri. This will in turn generate employment from rural/Agro/ religious tourism point of view.

The paintings of Baba Jitto, Bua Kodi and Maa Vaishno Devi ij can be painted on the Compound Wall of GHSS Jhiri Compound wall depicting the folk lore of the region. Mural art with lighting can also be done on the walls surrounding Jhiri temple.

Apart from visiting Govt. Offices, Higher Secondary School, Anganwadi Centers, tourist places etc, ti is found that Agriculture is the main source of subsistence for the population and it being a fertile land, the best varieties of Mango, Litchi, Guava and apple can be promoted and grown on commercial basis to increase the income of the farmers. There is a need for upgradation of Sports field at Jhiri by leveling the whole ground, installing high mast lights and construction of jogging track. After interaction and feedback from general public during the informal meetings with senior citizens, youth, PRIs, etc. I would like to recommend the following demands which need early redressed.

1. Upgradation of Shamshan Ghat by raising the Compound wall.
2. Construction of culvert at Main road in front of Panchayat Ghar Gate.
3. Repair/ renovation of Irrigation canals and its minor tributaries.
4. Improvement/ beautification of surrounding areas of Jhiri Temple.
5. Improvement in the overall Drainage system.

6. There is a dire need of a proper sanitation plan for the proper waste disposal in and around Jhiri.
7. Utilization of land near Shamshan Ghat at kalyanpur for making a vegetable market alongwith Cold Storage Plant.

The overall working of al line departments is satisfactory, it is exhorted upon the officers/officials to keep working with the zeal and zest and their ultimate goal should be to provide timely delivery of services to the local populace.
