ANNEXURE-A

BYE-LAWS FOR SOLID WASTEMANAGEMENT IN HALQA PANCHAYAT KERAN OF BLOCK BHALWAL DISTRICT JAMMU

1. **Short title and commencement :**

These Bye-laws may be called the 'Bye-Laws for Solid Waste Management in Halqa Panchayat Keran 2022.

2. **Application of the Bye-laws:**

The Bye-laws shall be applicable to every area falling under the Halqa Panchayat boundary and to every domestic, institutional, commercial and any other non-residential solid waste generator situated in the area, except industrial waste, hazardous waste, hazardous chemicals, bio medical wastes, e-waste, lead acid batteries and radio-active waste, that are covered under separate rules.

3. **Definitions :**

In these Bye-laws, unless the context otherwise requires

- (a) **"Solid waste"** means and includes solid or semi-solid domestic waste, sanitary waste, commercial waste, institutional waste, catering and market waste and other non-residential wastes, street sweepings, silt removed or collected from the surface drains, horticulture waste, agriculture and dairy waste, treated bio-medical waste excluding industrial waste, bio-medical waste and e-waste, battery waste, radio-active waste generated in the area under the Local Authorities.
- (b) **"Bio-degradable waste"** means any organic material that can be degraded by micro-organisms into simpler stable compounds.
- (c) **"Bye-laws"** means regulatory framework notified by Halqa Panchayat for facilitating the implementation of these rules effectively in their jurisdiction.
- (d) **"Composting"** means a controlled process involving microbial decomposition of organic matter.
- (e) **"Disposal"** means the final and safe disposal of post processed residual solid waste and inert street sweepings and silt from surface drains on land to prevent contamination of ground water, surface water, ambient air and attraction of animals or birds.
- (f) **"Dry waste"** means waste other than bio-degradable waste and inert street sweepings and includes recyclable and non-recyclable waste, combustible waste and sanitary napkin and diapers, etc.
- (g) **"Facility"** means any establishment wherein the solid waste management processes namely segregation, recovery, storage, collection, recycling, processing, treatment or safe disposal are carried out.

- (i) segregate and store the waste generated by them in two separate streams namely bio-degradable and non-biodegradable in suitable bins and handover segregated wastes to authorised eco-guards as per the direction or notification by the Halqa Panchayat from time to time;
- (ii) wrap securely the used sanitary waste like diapers, sanitary pads etc., in the pouches provided by the manufacturers or brand owners of these products or in a suitable wrapping material as instructed by the Local Authorities and shall place the same in the bin meant for dry waste or non- bio-degradable waste;
 - (iii) store separately construction and demolition waste, as and when generated, in own premises and shall dispose off as per the Construction and Demolition Waste Management Rules, 2016; and
 - (iv) Store horticulture waste and garden waste generated from his premises separately in his own premises and dispose of as per the directions of the Halqa Panchayat from time to time.
- (b) No waste generator shall throw, burn or burry the solid waste generated, on streets, open public spaces or in the drain or water bodies.
- (c) All waste generators shall pay user fee for solid waste management as per Annexure-I.
- (d) No person shall organise an event or gathering of more than fifty persons at any unlicensed place without intimating the Halqa Panchayat, at least three working days in advance and such person or the organiser of such event shall ensure segregation of waste at source and handing over of segregated waste to waste collector or agency as specified by the Gram Panchayat.
- (e) Every street vendor shall keep suitable containers for storage of waste generated during the course of activity such as food waste, disposable plates, cups, cans, wrappers, coconut shells, leftover food, vegetables, fruits, etc., and shall deposit such waste at waste storage depot or container or vehicle as notified by the Halqa Panchayat.
- (f) The following stakeholders, in partnership with the Halqa Panchayat shall ensure segregation of waste at source by the generators, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The bio-degradable waste shall be processed, treated and disposed off through composting within the premises as far as possible. The residual waste shall be given to the eco-guards as directed by the Halqa Panchayat.

- (ii) Local associations managing tourist and places of religious importance
