

Response of P.B. Efficiency regarding development of Report-B.

- (1) Drinking water Project is still longwinding even issue was taken very seriously in back to village Programme in 2015.
 - (2) Evaluation of electric poles are still incomplete.
 - (3) Panchayat is on rent, but the owner has not been given rent from 2015, He should be paid as soon as possible.
 - (4) front line workers are not Helper whose response is poor and they are not able to answer a single question, based in reality. They should be replaced, and responsible workers should be deployed.
