

Sanitation drive held along Yatra route in Anantnag

Anantnag, June 05: In pursuance to the directions issued by District Development Commissioner Anantnag, Dr Piyush Singla, a special sanitation drive was organized Sunday along the Yatra route.

The special drive was organized as part of World Environment Day to spread awareness among the inhabitants regarding sanitation, garbage disposal and ensuring cleanliness.

On the occasion, sanitation drives were organized in various blocks falling on the Yatra route. Plantation drives

were also held along the roadside. PRI members were at the forefront of these drives.

Awareness camps were held at various spots urging people to keep their surrounding clean, avoid littering on the roadsides and plant trees in available spaces.

ACP Anantnag said that during the special sanitation drives people organized polythene removal campaign, cleaned clogged drains and removed garbage dumped in khuls and nallahs, and various black spots on roadsides were cleared.
