RESOLUTION

Today on 24th of September, 2022 a Special gram Sabha was convened on the direction of District Administration in Panchyat Lookote Under the Chairmanship of Sarpanch Sh/smt Niranjan Singh. The objective of the Special gram Sabha was to make the pvt free from the use of single use plastic (Polythene) of any kind. In the regard the general public of the Panchyat was made aware of the ill affects of Polythene on Environment, Health and Other parameter of the Environment and Society as a whole. Polythene use have a very bad impact on the day to day life of human being as well as for the environment. Therefore, we all resolve today to make our Panchyat Polythene free and thereby contribute achieving the goal of Swachhta Mission.

A resolution of the panchyat to make it free from the use of Polythene was in therefore passed & adopted.

Sarpanch.
