Today as on 24-09-2022 a special gram panchayat meeting is Organised Under the Chairmanship of Magsood Ahmed Sarpanch Panchayat Thalga Dabber Potha - B.

Gram Sabha is started with Swachhta pledge of all the persons present in this gram Sabha. In this meeting ^{encourage} all people about Swachh Bharat mission phase 2nd.

Encourage the people about the solid and liquid waste management and also for Construction of Soakage pits and its usage as it helps in ground water recharging. It also prevents water logging and breeding of mosquitoes and decrease water borne diseases.

In this Gram Sabha all the persons are educated about the adverse effect of plastic / polythene etc. and encourage them to not use plastic and make their panchayat free from plastic.

Also, in this meeting all PRI'S Unanimously decided that in each ward disposal of solid-liquid waste management is done so select one site in each ward to collect waste material.

It is also decided that in every ward every household is educated for cleanliness and use of dustbins for biodegradable and non-biodegradable waste.

Make every house & market places clean and free from plastic and Swachhta Committees are framed to ensure single use of plastic and even discouraged the use of plastic.

Also educate the local people about the use of alternate of polythene i.e. to use paper bags / Jute bags & Cotton bags for local needs.

All the persons present unanimously decide / proposed site for collection of Solid-liquid waste management at ward no. 06 of Dabber Potho - B near river side.

Also it is decided that in each ward a site is selected to collect waste material of one ward at one place.

Thus, this meeting is concluded with the Resolution that all people will make all efforts as per their capability to make their panchayat as well as their Country free from plastic / polythene & upke their panchayat clean and beautiful.
